COME ALIVE IN '25

From Pastor Jeff

I hope everyone is staying cool and not overdoing it in the heat. That's the good thing about going to church: we always try to make the building comfortable. July, I'm sure, will be another hot month, but do all you can to be faithful to God's house. July is also vacation month for many, and I hope you will visit a church and/or Sunday School while you are away. If possible, please bring back a bulletin.

We have some special events scheduled for this month here at the church. On Tuesday, the 1st, we will have a special patriotic and prayer meeting at 7:00 pm. We will be praying for our nation and leaders, first responders, the ill of our community, our youth, our churches, etc. The choir and our singers will have special music for that service. Everyone is encouraged to attend, even if you do not usually come on Tuesdays. I'll be bringing the message. So come, and come prayerfully, that God will move in our nation again.

On July 10th, we will be taking our youth group, who earned the points to go, to The Ark Encounter. The time to meet at the church will be announced later. If you have never been to see the life-size replica of Noah's Ark, you will be impressed by it. Please keep praying for our youth. This year, we have set out to reclaim our youth, not just with prizes but with the Word of God. Many come from broken homes and dysfunctional homes, but Jesus still has peace for them. When the youth are in the service, make friends with them, and especially those who ride the vans.

A couple of changes this month with services. First, our Missionary service will be held one week later, it will be on July 8th at 7:00 pm. Brother Kelly Stapleton will be preaching that night. Plus, we will have our other services. Second, the Ladies Auxiliary will be held on July 11th due to the holiday the week before. The time will remain at 6:00 pm.

We will have all of the other services, and I hope you will remain faithful to the Lord and come and worship Him. The service you miss will probably be the one you needed the most. Remember to pray for the many who cannot come to all the services because of their health. A service not long ago, I counted 14 people, who, if their health was good, would have been in service that night. Jesus told us to work while it's day because the night cometh when no man can work. We, as a church, are getting older, and we need younger people to pick up the mantle of service. Will you be willing to do that?

See you in church!

Wednesday, July 9 - 8:45 am

Wednesday, July 23 - 8:45 am

Radio & Television

There are many people who listen to these programs, who if they had their druthers, they would druther be in a live service praising the Lord and meeting with old friends. One day this may be the only way we will be able to worship. So let's take advantage of good health and be in church every service.
